Figurative to Abstraction: Drawing and Works by the late Alfred Basbous

Artspace, Dubai, UAE

An exhibition devoted to the work of Lebanese sculptor Alfred Basbous runs from November until January in Dubai. Trained in Paris, Basbous was influenced by Rodin and founded the International Sculpture Park of Rachana. His works are on display at Dubai's Artspace, which first opened in 2003 and showcases contemporary Middle Eastern art. In 2012 its owners opened a second Artspace gallery in London.
