

Till We Meet Again

In our continued effort to support Cairo's contemporary art scene, we bring together a selection of Cairo's top galleries under the theme "Till We Meet Again".

This is our way to make visible the outstanding artworks from our collections as our doors remain temporarily closed.

We thank the artists we represent for their perseverance, and our collectors and audiences for their valued support during these uncertain times.

"TILL WE MEET AGAIN"

Follow these cairo art galleries over the coming weeks to explore some of the highlighted artworks in their collections:
