

The "Sfeir-Smeller" sun is angry in Hamburg

August 23, 2020

On the third of next September, the Gallery "Sfeir-Zamler" will open an exhibition in its Hamburg branch entitled A sun yellow with anger (a yellowish sun of anger), to continue receiving visitors until October 24, 2020 (from Monday) To Friday – between 12 noon and 5 pm Beirut time). The exhibition includes various works by the Lebanese artist and poet Etel Adnan (1925 – photo), the contemporary Lebanese visual artist Walid Raad (1967) and the young Lebanese artist Rayan Tabet (1983). The gallery branch in the Karantina area in Beirut had suffered significant material damage due to the explosion that rocked the port of the Lebanese capital on August 4.
