Abderrazak Sahli: Tolerance And Peace Elmarsa

13 Nov 2016 – 31 Jan 2017

Elmarsa Gallery presents “Tolerance And Peace”, **Abderrazak Sahli**’s solo show: his paintings react to a variety of stimuli, mixing unconscious elements with what is conscious, vigorous, and spontaneous. “My painting is principally based on a multitude of objects and forms; it translates diversity. The clutter of objects in my canvases is nothing but a representation of the crowd, the dense crowd that is force and movement.” (A. Sahli)

Contacts & Details

Founded in 1994 to raise attention of Arab art, **Elmarsa** is a gallery representing established artists but also an informal meeting place for an international crowd of intellectual, business, and social actors. Its programme presents artists who reflect the historical and cultural diversity in the region by addressing themes such as the impact of Mediterranean, African and Arab heritage on contemporary global issues.
