## AL-MA'MAL FOUNDATION FOR CONTEMPORARY ART

Posted on: Wednesday 09 December 2015

After 18 years of efforts, continuous obstacles and challenges, we are pleased to announce the completion of the renovation and furnishing of our long awaited home, the 1900 Tile Factory in the Old City of Jerusalem. Although this evening celebrates our long journey, it is merely the beginning of a new chapter. During these tense and violent days in Jerusalem, it is crucial that we continue our activities and reach out to the local community by activating the Tile Factory to its full potential. We need your support to help us fulfill our activities and maintain a Palestinian cultural and secular voice in the Old City of Jerusalem. The Gift is the first of our fundraising efforts to support our programs and activities in 2016, featuring a group exhibition and silent auction. The Gift presents a diverse selection of affordable artworks; paintings, photographs, design products and more, for over 30 contemporary Palestinian artists from across Palestinian towns and cities. The silent auction has a maximum bidding price of \$750, thus potential buyers have to be quick and smart with their bids - the first bidder to reach the maximum price closes the deal! Only 30% of sales will go to Al-Ma'mal and the remaining 70% to support artists for their talent and enduring efforts. Featuring Artists: Ahed Izhiman, Alaa Abu Asad, Amjad Ghannam, Ayed Arafah, Bashir Qonqar, Bassel al-Amad, Benji Boyadgian, Christina Bullata, Easam Darawshi,
