Meet the protagonists in the UAE's art scene

Proof that magic can happen with a catalogue of two inspired artists and a bustling trio

Khor Fakkan, nestled between the Gulf of Oman and the Hajar Mountains, has been a source of inspiration to the artist. His handcrafted quirky installations and sculptures mimic his natural surroundings, with special odes to his homeland's desert and sea landscapes. Ibrahim's work also represents the UAE's multifaceted society and its environment through his unique yet relatable approach to abstraction.

The piece discussed here with the Art Curator is composed of hundreds of black symbols on a white canvas, a departure from the artists' colorful work but still bustling with energy and life.

Ibrahim will represent the UAE in the next Venice Art Biennale, and his work will be featured in a solo exhibition at the Nation-al Pavilion UAE for the 2022 edition of La Biennale di Venezia.
